

Have you downloaded the Care Home Support App

The Health Zone app is available to help support Managers and Staff within Care Homes with all latest FREED resources.

It also includes Recognition of deterioration tools and advance care plans with a variety of training resources and videos. You will also find Infection prevention advice and resources with Key contact numbers for local support services. With the latest News and calendar of key dates this App is the one stop shop for support.

To Download the App:

- Go to the app store
- Search Healthzone Uk App
- Click link to download
- Once downloaded and opened search for the Black Country care home support app
- You can also scan the QR codes below

Google Play

iPhone

If you have any suggestions or would like things added to the app please make contact by emailing bcicb.freed@nhs.net putting APP INFO as subject
