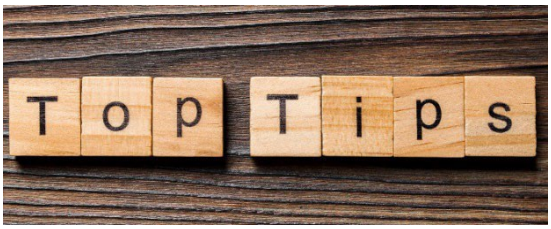
Fundamentals of General Practice Nursing

This course is commissioned by NHS England to support newly qualified, or new to practice nurses' transition in to general practice. Funded places are **ONLY** available via the Training Hub. Contact us to find out about the next cohort – bsol.traininghub@nhs.net

Fundamentals of General Practice - Module / BSc / AdvDip / GradCert / PgCert -

2026/27 Entry | Birmingham City University

PG Cert Fundamentals of General Practice Nursing - University of Wolverhampton



- Once employed within BSol, contact us here at the Training Hub and we can add you to our professional What'sApp Group for GPNs and add you to our mailing lists.

Once in role, to join our whatsapp group please complete this form - https://forms.gle/nhCN1WBhaDhvYJK18

To be added to the mailing lists, please email bsol.traininghub@nhs.net

- There are links on our website to preceptorship and clinical supervision:

  https://sdstraininghub.co.uk/preceptorship/

  https://sdstraininghub.co.uk/clinical-supervision/

Annual continuing professional development (CPD) funding is usually available via the Training Hub from NHS England to support you in your development and training needs. Information will regularly be shared with the mailing lists and practices to ensure that all eligible staff members are able to access this if it is available.

GOOD LUCK IN YOUR NEW ROLE!
